MUSEUMS GALLERIES AUSTRALIA
NATIONAL CONFERENCE

— 4 - 7 June 2018 —

MEAT MARKET, MELBOURNE

INVITATION

Museums Galleries Australia invites you to take part in this significant national conference. Bringing together current and future leaders and decision-makers in museums, galleries and governments from across Australia and the Asia-Pacific region, the conference will be an outstanding three-day experience for all.

The conference will include a full program of speakers, workshops, masterclasses, social activities and extended tours, with multiple opportunities for interaction between delegates and sponsors and for showcasing products and services.

We invite you to join us in June 2018

This is the leading opportunity for organisations and supporters to participate in this flagship event for the galleries, libraries, archives and museums (GLAM) sector.

We are anticipating 400+ delegates from throughout Australia, New Zealand and the Asia-Pacific region, with a diverse mix of museum and gallery directors, volunteers, managers, academics, curators, consultants, policy-makers, service providers and specialists from curatorial, collections management, conservation, marketing, HR, and more.

These are the decision-makers who will notice and remember your involvement.

This prospectus outlines many different ways in which you can support the conference, network with colleagues, and make yourselves noticed. We would recommend including an exhibition space at the historic Meat Market in your package as the central venue of the conference over three days.

For an out of the box tailor-made sponsorship package, please do not hesitate to contact us. Our Event Management and Marketing Team is expert in designing innovative sponsorship leverage strategies.

We urge you to get involved and align yourself with Museums Galleries Australia for this important and exciting event of 2018 and look forward to hearing from you.

Dr Robin Hirst PSM, President, Museums Galleries Australia, National Council

Lauren Ellis, President, Museums Australia (Victoria)

Padraic Fisher, Vice President, Museums Australia (Victoria)

THIS YEAR'S THEME

The Conference is hosted by a different State or Territory in rotation. In 2018 we are delighted to welcome colleagues to the historic former Melbourne Meat Market from 4 – 7 June.

The main theme is 'Agents of Change'. This recognises the adaptation underway in the sector, on an individual level and within organisations, as we tackle the challenges of climate change, economic uncertainty, truth and authority in public spaces, and the changing needs and expectations of audiences.

Sub-themes for the Conference include:

- Breaking down barriers
- Making connections
- Places for debate
- Disruptive practice
